Exhibits (empty)

Section Installing, Configuring

Background Image

Allows you to specify the background image. The background image is a compulsory item that defines the question.

Exam A Question 2 of 5 Select and Place Installing, Configuring and Administering Microsoft Windows 2000 CAP NUM

Question

You are creating a new client/server network. You want to install both the client computers and the servers in order to use the performance of each computer more effectively.

Which role should you choose for each computer on the network?

To answer, click the **Select and Place** button, and then drag the appropriate role to each computer.
